Oneida County Fair, Inc. Electrical Needs Worksheet 2026

50-amp service is available on a first-come, first-served basis. We will take the first 6 vendors who return this worksheet and payment. If 50-amp service is denied, vendors will be refunded the additional 50-amp service charge. 20 and 30-amp service will still be available for purchase.

Vendor Name:_____ Phone:_____

E-mail: _____

- 120 Volt Connection for Electricity to vendor - $30 = $ _____ *(**Note: **This is REQUIRED** for everyone who needs electricity. Vendor must purchase additional connections for higher power usage.)*

Additional service requested

- ☐ 20 amp 110v $40
- ☐ 30 amp 110v $60
- ☐ 50 amp 220v $100

Description/Additional Information: Please list all equipment you plan to utilize with voltage and amperage requirements. *You will find the required amperage for each appliance listed on the appliance. Please ensure you purchase enough electricity to power all appliances. This will help prevent any outages that could interrupt your electrical service.*
